

Dear Lake Forest College Class of 1988,

Do remember a time when you...

- Listened to the Grateful Dead, Madonna or Duran Duran?
- Went to the Lantern or Scornos?
- Wore a gray sweatshirt that read "Lake Forest College" in small black block letters or CB jackets?
- Or of course, learned about...

If you do remember that time, it was probably in the 80's when we lived in the Enchanted Forest. Now it has been twenty years since we have all been together and experienced that time in our lives. This Fall, the Class of 1988 will be celebrating our 20th reunion. This reunion is a chance for you to reminisce about your experiences during those four years and catch up with old friends.

The reunion will be held on October 3-4, 2008. There are so many activities throughout the weekend, but for the class of 1988, Friday night we will meet for dinner and drinks at the Lantern at 6:30, a tailgate party at the football game Saturday and an all class reunion dinner and dance Saturday night at 6:00. If you've not been back to Homecoming in the past few years, it really is a spectacular weekend.

We strongly encourage groups of 1988 alums to get together throughout the weekend and plan your own activities as well to really have a great reunion experience.

We know your lives are busy, but for many of us the experience at Lake Forest College shaped our careers and paths in life and this is a chance to revisit those people and that special place, and celebrate where we are today. Plus, if you have not been on campus, you will be amazed and proud of all the changes, updates and new programs that College has to offer. You'll really be proud of your alma mater.

The weekend is going to be great... please joining us and encouraging others to attend, too. If you are interested in being on the reunion committee please contact us through the College at [alumni@lakeforest.edu](mailto:alumni@lakeforest.edu).

We look forward to seeing you in the Fall!

Warm regards,
